

THE ARCADE CLUB BEGINNERS GUIDE TO

MUSECA

Press **START** ► repeatedly to start the credit, choose **LIGHT** mode, skip local multiplayer, the prologue, the information and you will reach mode select. We recomend the topmost mode to begin with, this will bring you straight to **Song Selection**

This is the music songwheel. Use **spinner #4** to move up and down and pick one by pressing **START** ►

Hold **START** ► to skip the tutorial and **get ready to Play!** Feel the beat and play in time to the music

Use **spinner #4** to choose a level. Choose the **Green** difficulty if its your first time and press **START** ► to play.

After finishing a song, your score and grade are displayed. Press **START** ► to return to song select.

NOTE TYPES

As the notes come down the play field, be sure to hit them correctly! A simple press may not be enough to score. React to the notes as seen below:

PRO TIPS

You can save your scores, skip the tutorial and more with an **e-amusement pass**,

DID YOU KNOW?

You can use headphones with this game! Plug them in and press **1** and **7** to change the volume up and down
